

# RECORD BREAKERS

The following icebreakers are 60-second challenges, often with a chance of breaking a world record (all world records are correct as of March 2024).

How many Jacob's  
cream crackers can  
you eat in 60 seconds,  
with no water?

**World Record = 6**

YOU WILL  
NEED

1. Jacob's cream crackers.
2. A large bowl for crumbs!

# RECORD BREAKERS

The following icebreakers are 60-second challenges, often with a chance of breaking a world record (all world records are correct as of March 2024).

How many coloured socks can you put on one foot, one at a time in 60 seconds?

**World Record =  
52 socks**

YOU WILL  
NEED

- 
1. Lots of socks in different colours.
